shutters

Transform your home with our stylish, versatile and affordable Shutters, offering you complete flexibility with light control, privacy and insulation. Our elliptical shape blade design increases blade closure and our PVC Shutters are made with an Aluminium core, adding extra support to reduce bowing or warping.

- + 100% Timber Plantation Shutters
- + PVC Plantation Shutters
- + Indoor/Outdoor Aluminium Shutters

outdoor

Whether you're looking for a Window Awning to provide shade or increase your home's insulation, or an Alfresco Awning to create an all-inclusive outdoor room, we have the outdoor product to suit. All custom made in our Melbourne workroom to fit your external shading requirements. *Available in selected stores.
