## why choose dc+b Veri Shades

Modern, versatile and affordable, our locally made Veri Shades have a neat and practical finish, ensuring smooth and quiet operation. With no weights or chains, you can seamlessly walk through them open or closed, and they'll just sway out of the way and settle back neatly.

Combining the versatility of Blinds with the elegance of Sheer Curtains, this innovative hybrid window covering has a revitalised fabric collection that features a range of colours to suit both modern and traditional interiors. With a simple rotation of blades, it's a safe solution for the whole family.

Featuring the Australian designed and developed premium tracking system and our soft fabrics, our premium collection provides the perfect balance of style, durability and child safety features to complement any home interior style and living needs.

Available with Traversing Wand operation.

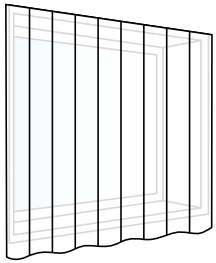

- + Unique design with a handcrafted soft fabric with alternating opaque folds

- + Custom made to fit any window
- + Premium tracking system
- + Stringent quality control + testing
- + Ideal for large windows + sliding doors
- + High quality fabrics + extensive range of colours
- + Complete control over blade angle + amount of light/privacy
- + Child + pet safe controls

## select install options

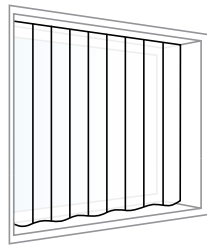

Take advantage of beautiful light control with our Veri Shades. The soft vertical fabric provides daytime privacy whilst allowing a soft view through. Easily adjust the level of privacy and light to suit your requirements by rotating the fabric vanes halfway. To block light, close the shades completely.

### FACE / ARC FIT

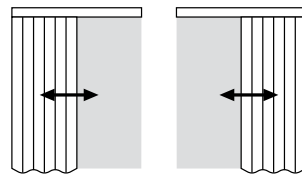

- + Veri Shades installed on window frame (arc) or wall
- + Improves blackout of light + privacy
- + When pulled across allows you to maximise your views + the natural light entering into your home
- + Ideal choice if installing our Veri Shades by itself on your window
- + Ideal choice if using on a doorway
- + Face fitting allows you to fully stack back the blades and if there is room either side of the window the blades can be taken past the window to maximise your view

### RECESS FIT

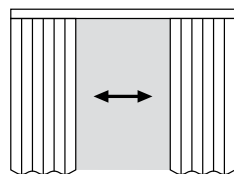

- + Veri Shades installed inside window frame
- + Provides a neater look that doesn't encroach on the room

### STACKING OPTIONS

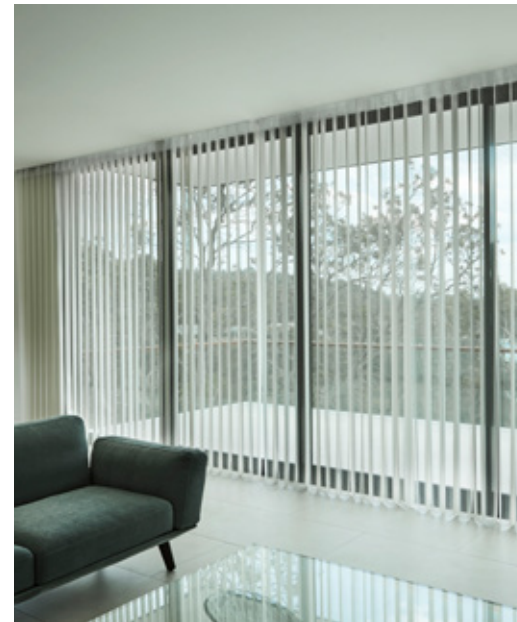

Left Stack

Right Stack

Split Stack

## select style

Made from 100% polyester, our Veri Shades fabric offers durable properties such as fade resistance and Ultra Violet (UV) protection to help preserve the fabric and home furnishings from fading.

### STEP 3 select control type

Featuring our Australian designed and developed premium tracking system, our Veri Shades offer a premium hardware and operating system for ultimate performance, durability and smooth control.

Our Traversing Wand operation can be easily tiled with the option to stack to the left, right, or split stack for an unobstructed view.

#### TRAVERSING WAND OPERATION

- + Turn the wand one way, + the opaque fabrics provide privacy + light blocking
- + Turn the wand the other way, + the mesh fabric lets more light through
- + Open the folds halfway for filtered light
- + Draw your right back like Curtains for full sunlight
- + Available in centre, left + right stack
